PREFACE TO THE THIRD EDITION

In 1955 Lucy W. Markley, Assistant Librarian at the Garrett Biblical Institute (now Garrett-Evangelical Theological Seminary) in Evanston, Illinois, prepared and published the first edition of *A Methodist Book Classification*. A second edition was prepared by Delbert E. Hollenberg, Assistant Librarian at Garrett Theological Seminary in 1964. Shortly after the formation of The United Methodist Church in 1968 Garrett's cataloging staff circulated to user libraries a schedule of numbers for the new church.

Representatives of current *BY User* libraries (Drew, Garrett, Perkins and United) met at the 1985 annual meeting of the Methodist Librarians' Fellowship and proposed that a workshop be held during the 1986 annual meeting of the American Theological Library Association in Kansas City to prepare a third edition. This revision is the product of the 1986, 1987, and 1989 *BY User* workshops held in conjunction with the annual meetings of the American Theological Library Association.

Participants:
Richard Berg, United Theological Seminary, Dayton, 1986, 1987
John Mark Califf, Drew University Library, 1987
Loren Hagen, Garrett-Evangelical Theological Seminary, 1986
Kenneth E. Rowe, Drew University/United Methodist Archives & History Center, 1986-1989
John Thompson, Garrett-Evangelical Theological Seminary, 1986-1989
Linda Umoh, Perkins School of Theology, 1986-1989
PREFACE TO THE FOURTH EDITION

In the intervening years since 1989 a number of changes and additions have been made to *A Methodist Book Classification*. With the widespread use of computers and on-line access to information, the need for on-line access to *A Methodist Book Classification* became apparent.

The “fourth” edition incorporates the changes and provides a “work-in-progress” on-line document.

Members of the *BY User Group* are encouraged to edit their copies to suit their individual needs. There is no copyright on this material. Sharing of changes and additions is encouraged.

No future “editions” will be issued, since each member library will be doing individual editing.

METHODIST EPISCOPAL CHURCH
1784-1939

1900-3390
Throughout its first half century, this church body suffered no real divisions, and was practically equivalent to American Methodism. During the next hundred years, American Methodism was seriously divided, yet this was the major church body. Hence it is often difficult to ascertain whether an author is writing about this church body, or on American Methodism in general.
Prefer the broader country numbers for general works and doctrine, for controversial works, and for history.
