

Creating Trusted Research Tools with Partners

atla.com

Atla is membership association of librarians and information professionals, and a producer of research tools, committed to advancing the study of religion and theology. As a community of collectors and connectors, Atla works to promote worldwide scholarly communication in religion and theology by advancing the work of libraries and related information providers. In addition to tools created by Atla, such as *Atla Religion Database*® (*Atla RDB*®), *AtlaSerials*® (*Atlas*®), and *AtlaSerials PLUS*® (*Atlas PLUS*®), we also partner with other organizations to create trusted tools for the scholarly study of religion and theology.

Old Testament Abstracts (OTA)

In Partnership with the Catholic Biblical Association

Old Testament Abstracts covers an array of subjects including antiquities, archaeology, biblical theology, and philology, making it essential for those conducting research in the fields of religion and theology. Articles coverage dates back to 1978 and includes abstracts for more than 570 journals. All abstracts are in English.

New Testament Abstracts (NTA)

In Partnership with Boston College

New Testament Abstracts offers a growing collection of abstracts for religion and biblical theology research. Approximately 1,100 titles are abstracted. Article coverage in the database dates back to 1985.
